#### Important Notes:

1. If a device is not listed above, it is not supported.
2. Shaded rows indicate devices in the same device family.
3. Devices must have scanning capabilities – typically indicated as “S” in the model #.
4. Java VM Card Types A & D (printers), E (wide format; non-US) and G, and H, are not supported.
5. Image preview shows only the last page. All devices allow the ability to scroll through the previews.
